*My Dear Officer Candidate,*

1. As the D day for Part D approaches, I sincerely hope that you must have by now carried out first read/revision of the study mtrl. If not, my advice is that, take a week/ten day lve and complete it.
2. The third set of sample paper along with DS soln for both sample paper 2 and 3 is reaching you at crucial juncture. A sincere effort from your side will ensure "you going over the hill".
3. Do remember to answer in pt form in short and crisp sentences within word limit. Do not beat around the bush and waste time. An examiner is assigned one x 50 mk/2 x 30 mk/3 x 10 mk questions. He checks them for all the offrs. By 10-15 answer sheets he become master of the DS soln. So no pt in trying to impress with long answers.
4. If you are a DSSC aspirant, Part D along with JC becomes a prelude to the DSSC entrance exam. Tac A, Adm & Morale and Mil Law knowledge of Part D will stand you in good stead for future prep. So do highlight imp aspects, make small notes on relevant topics and retain notes of Part D exam for further ref.
5. Lastly please accept my best wishes for the exam. Hope to see your name in "passed all subject" category.

*With warm regards*  
*Yours sincerely*
